# What is UGAC ?

- Under Graduate Academic Council (meant for UG students)
- The objective of UGAC is to address all the issues related to academic affairs of UG (B.Tech, B.Des, Dual Degree, B.S, and Integrated 5 yr. MSc) students.
- It is the representation of students in all matters related to the academic program, the curriculum, the academic office, and the administration.
- Mainly UGAC is for acad issues for students, so read UG Rule Book
- Go through Manifestos of Dheer Bhanushali and Ayush Dahale to understand what initiatives they have taken
- Apart from your duties as a Web Convener or Design Convener, you need to work in a friendly manner and help other clubs or divisions if they need something or if they have a lot work and less time to complete it.

# Clubs and Divisions in UGAC

- Contains a total of 7 clubs and divisions
- SSS - Student Support Services
- EnPOWER - Engineering Oriented Promotion of Work Experience and Research
- Career Cell
- Analytics Club
- Consult Club
- Finance Club
- Web and Design Team
- Apart from these, UGAC contains, DRC's, DAV Team and Investment Team.

# SSS

- Student Support Services
- Registrations - Pre-reg and reg queries, Live Registration sheet, ASC Video series
- Academic Aid and Awareness - Course Info Session, Sophomore 101, IDDDP and branch change, Course Feedback
- Help Sessions - TSC, Excel sessions
- Course Info Booklet, IDDDP Booklet, UG Info Booklet
- Resobin, TA Portal, SSS Blog (IDDDP Corner)

# EnPOWER

- Engineering Oriented Promotion of Work Experience and Research
- Encourage and facilitate research opportunities for UG's
- Rescon - A 2-day UG student research conclave (speeches, workshops, students across from India)
- Enthuse - The Freshman research Orientation (with IRCC and professors)
- SURP - (May - July) , iSURP - (Nov - Jan), CORE - (No CPI cutoff)
- CORE Intern Booklet
- SURP, iSURP, CORE websites

# Career Cell

- Creating awareness about various career opportunities, provide decisions and guiding to career
- Learners' Space - An online learning platform available during summer break containing NTSS and TSS just like moodle
- Fundae Talks 1 and 2 - Informal sessions by seniors from various backgrounds who share their institute experiences, giving TIPS and FUNADES! acads decision along with PoR
- Internship Prep Booklet, Core Internship Booklet
- Placement Blue Book, Non-core apping guide
- Placement preparation Programme and higher studies
- Resume Making Sessions

# Analytics Club

- Carry out various sessions, bootcamps and hackathons on Machine Learning, Artificial Intelligence, Big Data Handling, Data Visualization, etc.
- Work in colab with DAV in most of the times.
- Try to promote the community of students pursuing these fields in the institute.
- Help students stay informed about opportunities in the field of Analytics and guiding them in their journey to help them build a career.
- Bootcamps, blog series, courses in learners space, colab with CC, hackathons, WiDS, Noncore weekend
  - Non core weekend - Strategy Wars, Auction Wars
  - WiDS - Winter in Data Science

# Consult Club

- Promote the study and practice of consulting at the institute, and serve as the main hub for all consulting and management-related activities.
- Internship preparation programme - senior talks
- Consulting 101, Management 101, Non core weekend, MBA and Beyond
- Internship preparation, Resume Repository
- Placement preparation programme
- Consult Core Group - solving live industry projects and industry level problems
- Learners space - courses related to consulting and management

# Finance Club

- Develop and cultivate finance-related interests in the institute.
- Promote different fields of finance amongst the student body at IIT Bombay
- FinSearch - 2 month long research oriented programme
- Participate in competitions and conduct bootcamps
- Financial modelling and sessions
- Careers in quant trading, private equity
- FinFest - 3 day flagship event
- Finance Club Website
- Investment Team and blogs

# Web and Design Team

- The Web division works on providing portals to students regarding UGAC events and programs.
- The Design Team is accountable for the ideation, publicity, design activities and providing an entire front-end to the council.
- The design team is UGAC's creative arm, and without their contributions, no event would be complete. Whether it's creating interactive posters for events or working on website design, they cover every angle!
- All clubs combined so far, we have a lot of websites to handle :)
- Exchange Mapper, TA Portal, Learners Space, Rescon, SURP, iSURP, CORE, WiDS are the major websites that we will be working on.
- Exchange Mapper - website for semester exchange students
- Apart from all of these main thing - UGAC Landing Page
- Complete any of the Dheer's Initiative and ensure to complete any follow up from Ayush's initiative and miscellaneous

# UGAC Council 2023-24

- General Secretary Academic Affairs UG - Dheer Bhanushali
- Institute Secretary Academic Affairs (SSS) - Shravya Suresh
- Institute Secretary Academic Affairs (EnPOWER) - Harsh
- Institute Secretary Academic Affairs (Career Cell) - Manali Manjarekar
- Analytics Club Manager - Pradyuman
- Consult Club Manager - Ruchir
- Finance Club Managers - Arjun, Priyansh Gopawat
- Web Nominee - Challa Rupak Vardhan, Darshan Bitla
- DAV Heads - Siddharth Acharya, Deepasha
- Institute Secretary International Relations (ISIR) and Department research Coordinators (DRC) are also part of UGAC
- All Clubs, Division's Convener Process is ongoing :)

# IRBS

- Institute Room Booking System - <https://portal.iitb.ac.in/irbs/>
- Availability of Rooms to book for any events in the insti, here, mainly UGAC
- Letter to Dean AP, with GSAA sign
- Must do this process well in 3 - 4 days advance so that any last moment BT can be ignored
- After getting signed by Dean AP, need to submit in main building acad office or SOM building 2nd floor depending on the room that has been booked
- Verify in the portal whether it has been booked or not.
- A sample view of the portal can be seen in the next slide

17:00								

**Feedback**

# What we expect from you ?

- Motivation - Main thing to do anything here after coming to insti
- Enthusiasm - Must be eager to learn new things in a given stipulated amount of time
- Time Management - Must manage time with acads and personal stuff along with PoR/PoR's
- Pressure Handling - Must handle pressure in any situation and should not feel stressed about it
- Communication - Must feel free to communicate with any person (i.e, you shouldn't be introvert)
- Team Learning - Must be adaptable to his/her co-team members and work along with them easily

# Selection Process

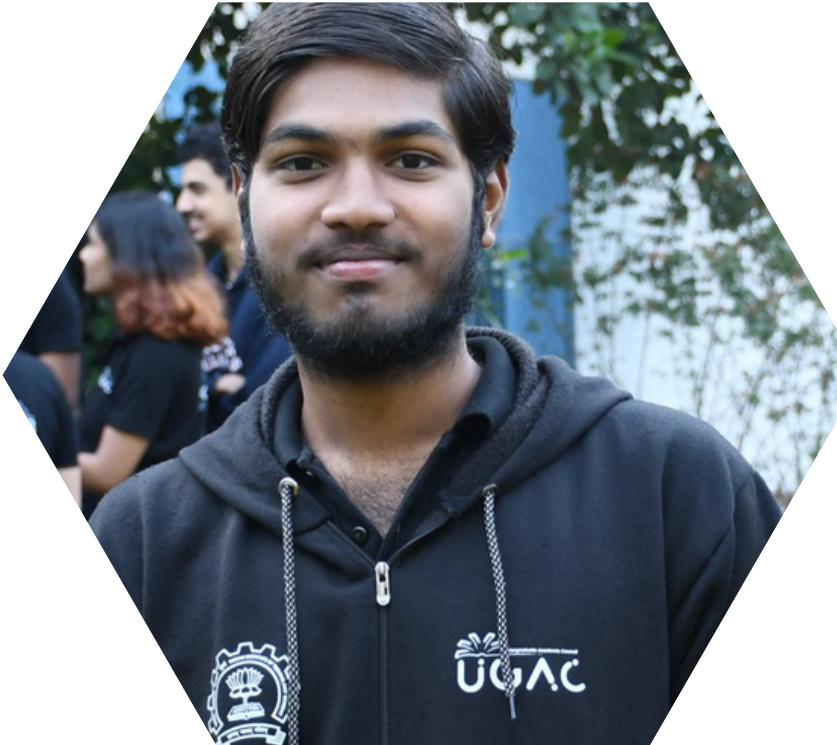

- Ground works - Talk to as many seniors related to this field as possible and get insights and their experiences in this position (apart from this session)
- Assignment - one assignment will be given respectively for web and design conveners separately
- Interview - Shortlisting for the interview round (initially only 1 round of interview will be held)
- Interview has 2 parts in it - Technical skills Testing and Personality skills Testing
- Finally Selection of conveners
- If competition is still tough enough that we are not able to select 4 conveners for each of web and design then there will be another round of interview after which further short listing takes place

# Skills Required

- Only Enthusiasm is the first and foremost thing
- For Web - HTML, CSS, PHP, Django are mostly used and compulsory
- If you know Angular and ReactJs, it's an advantage for you.
- For Design - same again...enthu :)
- One more important thing for design conveners - Intuition of design skills
- If you have experience with Canva, Adobe Illustrator, Photoshop, Figma etc.. it is an advantage
